## Pull Request Example

The screenshot displays a GitHub Pull Request (PR) titled "show\_data\_on\_interface #5". The PR is created by **pedromonteiro01** and aims to merge 2 commits into the **main** branch from the **show\_data\_on\_interface** branch. The interface includes a header with navigation links (Open, Conversation, Commits, Checks, Files changed) and a status bar showing 158 additions and 13 deletions. The main content area shows a list of commits: "pedromonteiro01 added 2 commits 1 hour ago", "continue implementing websockets", and "refresh class number capacity when button click". A comment from **pedromonteiro01** states "No description provided." Below the commits, it says "pedromonteiro01 requested review from tiagomrm, rezeett and vitordiasua now". The right sidebar contains sections for Reviewers (tiagomrm, rezeett, vitordiasua), Assignees (No one—assign yourself), Labels (None yet), Projects (None yet), Milestone (No milestone), Linked issues (Successfully merging this pull request may close these issues), and Notifications (Unsubscribe). The bottom section shows the PR status: "Review requested", "3 pending reviewers", "Continuous integration has not been set up", and "This branch has no conflicts with the base branch". A green button labeled "Merge pull request" is visible. The bottom of the interface shows a "Write" button and a "Preview" button, along with a toolbar for editing the PR description.
